Hi Trish

Perhaps you remember me when we met at the Suatner's residence in mid January as I reported on the EPA investigation.

<http://tomwilber.blogspot.com/2012/01/epa-probe-on-dimock-water-begins-with.html>

I'm interested in learning more about the results, which I understand will be released this week. When do you expect that to be released and what will the protocol be? Can you please include me on your media distribution list?

Regards

Tom Wilber
